**Since our start in 2015, A Simple Gesture has provided over
8 million meals in Guilford County!**

You can help – it's easy!

- With our Green Bag Program, you'll fill one of our green grocery bags with nonperishable food every month or every other month. Then on the pick-up day (always a Saturday), you'll put your bag of food on your front porch. Our volunteers will pick up the food, take it to one of our partner food pantries, and leave you an empty bag for the next time. It's so simple!
- Our SHARE refrigerators are in every public school in Guilford County. Students place unopened food from their cafeteria lunch inside. Ask your child if they know where their school's SHARE refrigerator is. If not, ask their teacher or principal.
- Our Food Recovery Program keeps short-dated food from going in the trash. Instead, we work to get it to nonprofits serving community meals.
